

# LANGUAGE ARTS

at  
Harford Christian School

“Language is the dress of thought.”  
Samuel Johnson

To speak and write well is to open a vista of opportunity. Thus, we place a high priority on the study of the English language, the currency of ideas.

The powerful potential of a good English background drives the thorough and varied HCS curriculum. Teachers guide classroom interaction to draw out expressive abilities and channel them into clear thinking. In addition, HCS students attend Shakespearean plays, act in staged productions, and take part in speech and writing competitions.

Language arts, as does each class at Harford Christian, has Jesus Christ at its central focus. Young people are taught to serve Him, acquiring the language skills that lead to higher levels of Scripture study and understanding of life.

<u>Course Descriptions</u>	<u>Special Opportunities</u>	<u>Faculty</u>
